## It's Frogbridge Challenge Time!

What a "funominal" time we had at camp this week! With the much needed rain that joined us at camp, the fun only got better! There were smiles and good times "hopping" all around, we just had to take the fun indoors!

Wednesday's Wear-It, Pajama Day, was perfect, for the day. Our campers stayed inside, enjoying the dry airconditioned activities, all comfy in their pajamas! Breakfast was served for lunch, as our campers enjoyed eating French toast, eggs and even sausage! The only things missing were their blankets and pillows!

"That's Incredible," seems to be gaining popular-

ity each week. More and more campers are trying out for a spot to be in the finals. Congratulations to this weeks winners, Arah from SGT with her gymnastics routine and Rob from SBT for his guitar performance! Great job everyone! Keep that talent coming! Before you know it everyone will be on their way to Hollywood!

The M&M Mix Up sure put a twist on things! Campers had to guess how many candies were in a jar. It became difficult in deciding the total number inside because there were different sized M&M's mixed with Skittles! Great job to Ashley G. from SG2 for having

the closet guess!

The week ended on Friday, with the first ever, "Minute 2 Ribbit" challenge at Frogbridge. Based on the Television show "Minute to Win-It," campers competed in different challenges to score the most points for their group. Ask your campers about the Popcorn pile on, Mega Bubble, Sticky stack, Funny Feather, Drop-Sink-Clink, Hot Air Balloon, Face The Cookie, and Golf Ball Stack! In just sixty seconds, your campers had to complete the different silly challenges! A great time was had by all!

As week 3 comes to an end, we eagerly await week 4 and what it has to bring! We can't wait to see you all at our annual talent shows! Have a great weekend! See you all on Monday!

## Highlight of the Week!

The Tadpole and Intermediate campers welcomed a petting zoo to Frogbridge on Friday! They were able to see and pet many different types of farm animals. You should have seen the look of their faces as they got to meet many animals they had previously only read about in storybooks or seen on the big screen!

## Did You Know?

The M&M mix up consisted of 1247 regular M&M's, 506 pretzel M&M's and 662 skittles! That is equal to 2 large size bags of regular M&M's, 4 medium bags of pretzel M&M's and 2 regular bags of skittles! That's a lot of candy!

# A Message From JR

## The Fun Never Stops At Frogbridge!

Week 3 brought several new and exciting activities and events to camp. I hope you enjoyed them as much as I did. My M&M mix up guess was only 15 mixed up items away from the correct answer, but even I couldn't beat Ashley from SG2 to win the Grand Prize—2 tickets to Breakwater Beach! On Friday, I returned to Harrison Square to co-host the 1st annual "Minute to Ribbit", and boy did I have an amazing time sharing in the fun. I can't wait to see all of our incredible actors and actresses on stage next week as we celebrate our 12th annual Talent Show week. I look forward to meeting our parents and watching as all of your hard work practicing comes together live on stage right before our eyes! Break a leg everyone! See you next week!
